

Dear Professional Leaders,

You have been identified as a leader among your peers, in your profession, your community and your family.

The NAIFA LILI (Leadership In Life Institute) was created just for you! And there is no limit on who can participate, young or old, YAT or seasoned professionals! And LILI is available only to NAIFA Members!

You have already demonstrated your commitment to being an outstanding professional who is always seeking to improve yourself so that you can better serve your clients and those that you care the most about.

The LILI curriculum is uniquely designed and recognized as a next-level leadership experience for those who are serious about your own personal and professional growth & development.

Over the course of 6 full-day sessions, you will be exposed to some of the most outstanding (and proven) experts in leadership development, delivered in a format that is specifically designed to advance your unique skills that will assist you in furthering your professional and personal success!

And you now will receive 6-hours CE for successfully completing the LILI curriculum and meeting attendance requirements!

These experts include:

Stephen Covey (*7-Habits of Highly Successful People*)

Jim Collins (*Good to Great and the Social Sectors*)

John Maxwell (*21 Irrefutable Laws of Leadership*)

Kouzes & Posner (*Credibility*)

We will apply our leadership to our own lives and professional journey by exploring themes in some outstanding films, including:

October Sky

Invictus

Remember the Titans

Miracle

Apollo 13

Hidden Figures

So what will you gain from this experience? We all know that what we get out of an experience is based on what we put into it. And you will have the opportunity to gain a deeper understanding of:

Yourself

Your role as a leader

Those that you care about

Your potential to leave a legacy

Do not delay! Now is the best time to explore your full leadership potential; you will thank yourself, your family will thank you, and your clients and professional colleague will thank you!
