

**CONGRATULATIONS!**  
**NAIFA-Indiana**  
**2021 Jack Peckinpaugh Associate of the Year**

**Kyle Cyr**  
Cyr Insurance & Financial Services  
Fort Wayne, IN

Kyle has been in the insurance and financial services profession full-time since graduating from Anderson University in 2002 with a B.A. in Finance. Immediately after graduation he joined his father Alan, at Cyr and Cyr Insurance services to work alongside him and learn the business.

Kyle has been an independent advisor all his career, representing many products and services while trying to help as many clients as he could. He works with individuals and families in providing financial services for them now and in the future. Kyle prides himself in assisting people to understand life insurance and how it works, especially at a time when agents seem to shy away from even calling themselves a life insurance agent. A large part of his business works with clients navigating Medicare and all the health insurance choices in their retirement years. He has earned various industry and company awards over his career such as the National Quality Award and the National Sales Achievement Award.

Kyle has been involved with NAIFA from the very beginning since his father Alan Cyr, **GENTLY** nudged him towards membership. Al believed it was very important to be part of the professional association, give back, and constantly be educated on new sales ideas. Kyle served on the NAIFA-Fort Wayne Board of Directors for many years while holding all positions including that of President. Kyle also served on the NAIFA-Elkhart Board, and NAIFA-Kosciusko Board, serving as President of that local.

Since 2012, Kyle has served on the NAIFA-Indiana Board of Trustees, holding all positions including President in 2016, and is currently the National Committeeman. In 2011 Kyle was awarded the NAIFA-Fort Wayne *Advisor of the Year* for his service to the Fort Wayne Chapter. Kyle has attended many National Conventions and Congressional Conferences over the years, while trying to give back to NAIFA on any level he could.

Kyle has also given back for many years in the Fort Wayne area, specifically in the area of youth baseball and the Boy Scouts of America. Kyle was the President of the Foster Park Junior/Senior Baseball League for many years and helped Little Leagues District 10 develop inner city baseball initiatives. Kyle has served as the Scoutmaster of Boy Scout Troop 354 helping multiple young men achieve the rank of Eagle Scout. Kyle served on the Aboite Meadows Community Association Board for over 10 years, serving in the role of Treasurer and President.

Kyle has many interests outside of the financial services profession. He loves spending time with his wife Tanya and son Finn at their lake cottage, fishing, duck hunting and collecting the occasional Mark Grace baseball card. He has been a Chicago Cubs fan all his life and played college baseball for four years at Anderson University.
