

CONGRATULATIONS!

NAIFA-Indiana

2019 Jack Peckinpaugh Associate of the Year

Greg Boyer
American United Life
West Lafayette, IN

Greg has been in the insurance and financial services profession since 1991. He joined the business to work with his father who was in the business for over 50 years. Greg is a career agent with OneAmerica and part of the Bill C. Brown Associates agency in Bloomington. In 2000, Greg had the opportunity to move to West Lafayette to continue his business. This was exciting for Greg and his family since Greg attended Purdue University and his wife's family is from the area. Greg graduated from Purdue in 1985. He works with individuals and families in providing financial services for them now and in the future. He also has a large part of his business that works in the group benefits area. He has earned various industry and company awards over his career.

Greg has been involved with NAIFA from the very beginning since Bill C. Brown and Ron Remak believed it was very important to be part of the professional association. Greg served on the NAIFA-Bloomington board for the first nine years and held every position. When Greg moved to West Lafayette, he became part of NAIFA-Lafayette. He served in all chairs and as president for many years.

Greg has been very involved with the advocacy side of NAIFA. He served as PAC chair in both the Bloomington and Lafayette Associations. When NAIFA changed their structure and needed more involvement in the PIC area, Greg began his involvement with PIC. For the last several years he has been involved with NAIFA-Indiana on the Government Relations committee and has served as the PIC and PAC chairs. Greg loves the opportunity to go to Washington, D.C. to meet with our state senators, congressmen and women. He coordinates the meetings between our legislators and NAIFA-Indiana members. Greg also serves on the NAIFA National PIC sub-committee.

Greg has been involved with various community activities in the Lafayette and West Lafayette area. He has served many years as a deacon of Faith Church and on the Finance Committee and Faith Legacy Foundation board. He has also served at Faith Christian School with the PTO (Parent Teacher Organization) and Sports Booster Club. Greg has been involved with Purdue Student Union Board Alumni Association, Purdue Alumni Association and his neighborhood association.

Greg is very blessed to be married for 25 years to a godly wife Barb and have two wonderful and godly daughters, Kiersten and Marissa.
